

Shaft Skinz® arrives in PGA Tour Superstores

Shaft Skinz Ltd are delighted to announce that their products are to be made available through all 10 PGA Tour Superstores over the coming weeks.

Staff in each location will be undergoing training on the fitting of the decorative and protective shaft sleeves in time to offer customers the option of a bit more color this holiday season.

The stores at Kennesaw, Duluth and Roswell in Georgia, North Myrtle Beach and Myrtle Beach in SC, Scottsdale and Chandler, AZ, the two stores at Plano, TX and the new store opening at Naples, FL will all be able to provide the sleeves installed on customers' shafts.

The product range will be located in the components section of each store and staff will be able to install the sleeves as they would do a grip in a matter of minutes.
